

Counseling service for Ukrainians — help with job search and employment in Finland

Are you looking for more information about employment in Finland? We can help you register with the TE Office as a jobseeker and find employment in Lapland.

We can provide you with information about the available jobs in your region. We will also tell you about study and training opportunities and other services available to Ukrainians in the Lapland region.

We offer consultations at the following locations: in Rovaniemi every Monday, in Kemi every Tuesday, and in Kemijärvi every Wednesday.

On Thursdays and Fridays, we provide online counseling. Consultations are available in Ukrainian, Russian, and English.

You can book an appointment with us directly from [this page](#). Please make sure to use the correct calendar.

Our chat service in Ukrainian and Russian is available to you every day at

UA-NEUVONTA.FI

Alternatively, you can call us and leave your contact information. We will contact you the same day.
